

bda connectivity GmbH is an international manufacturer of special cables for telecommunications and network infrastructures. As a medium-sized company with more than 130 years of existence the group of special cables now went a separate way: In times of global production and supply chains as well as rapid technological change, bda connectivity is well positioned with its subsidiary in Singapore and distributors throughout the world and meets the challenges of the current and future markets.

To become even more successful we offer the following position:

Intern / student (m/w/d)

Profile:

- Studies of IT or similar
- Excellent knowledge of English and German, additional languages advantageous
- Good knowledge of the current relevant IT tools / software (Adobe Paket, Joomla!, etc.)
- Independent, self-motivated way of working
- Creativity and motivation

Tasks:

- Complete relaunch of the website incl. structure, content, media in close cooperation with IT and marketing dept.
- Preparation of a webshop

We offer a very good working atmosphere, flexible working hours, a lot of independence while working, but also necessary support by colleagues.

If you would like to join our team, please send your complete application documents by email to Ms. Elke Heinl: elke.heinl@bda-c.com
