Health Security at bda connectivity GmbH – COVID - 19

As a responsible company, we have the responsibility to handle the coronavirus in a caring, serious and considered manner for the benefit of our employees, business partners and the entire company.

Due to current developments regarding COVID-19 (Coronavirus) we have taken special protective measures for entering our company premises. Entering is generally not permitted if one of the following points applies:

- You have been in one of the known COVID-19 risk areas or a particularly affected area, which was already marked as a risk area at the time of your visit, during the last 14 days before your visit.
- You have been in direct contact with a COVID-19 infected person.
- You have at least one of the following symptoms: fever, cough, difficulty breathing.

If you have any questions please contact us by e-mail: info@bda-c.com.

Please check your information on the day of your visit before entering the company premises. We are sure that this measure is also in the interest of all visitors and thank you for your understanding.

With my signature I confirm that I have neither stayed in a risk area nor had contact with an infected person or was infected in the 14 days before my visit:
